

## Disclaimer

Information, observations, and opinions are offered for general reference only and are not counseling advice, diagnosis, or psychotherapy. If you believe you require psychological help, please consult with a licensed mental health professional.

By using this site, you signify that you agree with and accept all terms, conditions in this Disclaimer for this site accessed through the domain addresses \_\_\_\_\_. If you do not agree, please do not use the site.

**REGARDING THE WEBSITE:** No psychotherapy, professional counseling, or health care service of any kind is given via this website. The site is intended only for use by consumers in search of general information of interest pertaining to coaching and related topics. Content is not intended to replace or serve as substitute for professional consultation or service. Observations and opinions on the website should not be misconstrued as specific advice. Information on the site should not be used in place of a call, visit, or consultation with, or the advice of, a licensed healthcare or mental health professional. Please call or see a licensed healthcare or mental health professional for any healthcare-related questions or advice. Clouded Compass Coaching and Consulting cannot be responsible for any harm caused by your reliance on, or any use made of, information that provided on this site. You must be 18 or older to use this website. If you are experiencing an emergency, you should go to a hospital emergency room. If you cannot go a hospital emergency room, you should call 911 for emergency help.

**REGARDING EMAIL:** You may send an email for further information about the services Clouded Compass Coaching and Consulting offers. If you choose to email me please understand that (1) email communications are not encrypted, (2) there is no guarantee of the security of email transmissions, (3) it is inadvisable to send sensitive or private information by email, rather you should use an alternative and more secure means such as telephone call, (4) there is no assurance that any email communications will receive a response, and (5) if there is a response, there may be a delay, so do not use email for any urgent matters.

While privacy of personal information is very important and is part of the ethical principles guiding coaching. Protection of any information sent through e-mail, fax, regular mail, or voice mail is not guaranteed.

## Photographs:

Photographs are personal photos or stockphotos used with permission/rights and do not depict actual clients. They may not be copied since they are protected by the original creators and distributors. Logos are copyrighted by Clouded Compass Coaching and Consulting.

## Links:

The sharing of other websites and resources are endorsements of their relationship to our mission, vision and values and are provided as a convenience to our users. Clouded Compass does not control and is not responsible for any content on such sites and makes no guarantees or representations, expressed or implied, about the content, opinions, advice, services or other information contained or referenced in such websites or any sites linked to or from them.

Confidentiality:

Confidentiality is one of the ethical principles of coaching and we are committed to honoring those principles. However, most states do not recognize any legal privilege between a coach and a client.

Clouded Compass Coaching and Consulting reserve the right to share testimonials with other coaches and as examples for customers seeking similar coaching. No personal identifying information is disclosed in a testimonial and facts that may identify a specific customer will be abstracted to protect the customer's identity.
